

Manager's Report

February

Backordered Book

A.A.W.S. has remedied the covid related production issues that put the Big Books (hard bound and large Print) and 12 & 12s on backorder. All books are back in stock.

Meeting Guide App

Online meeting information is now being added to the Meeting Guide app. To streamline the process please contact Central Office with a direct link to the meeting and not just the ID and Password. The end result on the app is more confusing if we don't add a direct link. Please ask your zoom host/admin for the link.
