

# Manager's Report

---

## **Zoom Phone**

Researching converting current phone system to Zoom Phone, which will greatly enhance our 24/7 hotline. The Vancouver office converted their phones a few months back and San Francisco is in the process of switching over. Waiting to see how the SF integration goes. Monthly savings will be approximately \$150 - \$180 per month.

## **Spanish Meeting information**

The county website has been update with a new link to the Spanish Intergroup for Ventura and Santa Barbara Counties. Working with the Spanish community to improve communications and provide more up-to-date online meeting information.

## **Covid Orange Tier**

With the downgrade to Orange Tier meetings must operate within the same guidelines for places of worship and can now operate at 50% capacity with masks and social distancing.

## **POS System**

Our current Point of Sale System will no longer be supported at the end of the month. We will be upgrading the software and will be receiving a 60% Discount. The upgrade also comes with a free touchless credit card reader
