

NOVEMBER IS GRATITUDE MONTH

PLEASE HELP SPREAD THE WORD

For many decades, we in the Fellowship have set aside November as a time to express our collective gratitude for our individual sobriety. No one is exactly sure why November was originally chosen, although its connection with Thanksgiving seems obvious. A.A. co-founder Bill W. once thought his sobriety began in November, but later calculations established December 11 as the date of his new beginning.

Please announce when passing the basket

In honor of Gratitude Month, we pass the basket a second time during November. 100% of these special donations go directly to the Ventura County Central Office, which provides vital services to alcoholics throughout our community.

Our Central Office relies heavily on your generosity during Gratitude Month to meet a large portion of its operating expenses.

THANK YOU!

The Ventura County Intergroup Board of Directors

You do not need a special envelope, but envelopes, donation cans, flyers and can wraps are available at Central Office. When making a donation, please include the day, time, city and name of your meeting.

Individuals and groups may also contribute through Venmo (@VCAACO), PayPal (Ventura County Central Service Office), or our website at aaventuracounty.org.

Questions? Please call Central Office at (805) 389-1444.
