HOW TO USE THIS DIRECTORY

Meetings are grouped by day, then city, then time. Each half of a printed sheet is a separate numbered booklet page. The cover is page 1; pages 2 and 3 face each other when you open the booklet.

PRINTING AND ASSEMBLY

Use the Booklet Print PDF on 8.5 x 11 paper: landscape, Actual Size / 100%, double-sided, flip on short edge. Choose one PDF page per side. The pages are already arranged for folding; do not apply your printer's Booklet setting again. Keep the printed sheets in order, fold the entire stack in half, and staple along the center fold.
